

BUSINESS POLICY

1. CADMAC BUSINESS POLICY

CadMac Marine Services (Pty) Ltd. (CADMAC) is a marine *Service Supplier* who at the request of an equipment manufacturer, ship yard, ship or Mobile Offshore Unit (MOU) owner or other client acts in connection with inspection work and provides services for a ship or MOU such as measurements, tests or maintenance of marine safety systems and equipment, the results of which are used by surveyors in making decisions affecting classification or statutory certification and services.

CADMAC's Business Management System (BMS) is certified to ISO 9001:2015.

1.1. Quality Commitments

- CADMAC is committed to providing a quality service to its Clients that meets and exceeds their expectations, and in doing so satisfies the aspirations of its Management and Investors.
- CADMAC is committed to working under conditions controlled by the requirements of its BMS and all relevant national and international legal, regulatory and statutory requirements. With specific consideration to those of the International Maritime Organisation (IMO), Safety of Life at Sea (SOLAS) regulations.
- CADMAC commits to continually improve its BMS through Client focus and analysis of its own performance and the achievement of its objectives.

1.2. Environmental Commitments

- CADMAC is committed to being continually aware of the impact that marine industry has on the environment both on and off shore.
- CADMAC is committed to ensuring that all equipment tested, inspected and/or examined will not be passed or certified unless it is operating to its required potential with the least possible impact on the environment.
- CADMAC commits to identifying, analysing and reducing risk of negative impact to the environment on all its work, test, inspection and examination sites. With specific consideration to the use of sustainable resources and reducing potential pollution including but not limited to the accidental release of oils, chemicals or other materials.

1.3. Occupational Health and Safety (OH&S) Commitments

- CADMAC is committed to ensuring that all of its staff, clients and other affected parties are aware of the OH&S risks involved in realising the products and services that CADMAC provides.
- CADMAC commits to identifying, analysing and reducing risk of injury and/or ill health on all its work, test, inspection and examination sites.
